

# ALLORA™

SCAGNELLATOFERRARESE+MASIERO (SF+M)

## WAITING, MEETING, LEARNING –INSPIRED BY THE TIME SPENT IN-BETWEEN.

### WHAT

- + Inspired by the time spent in-between, from the lobby, to the cafeteria, to the training room – Allora, a single shell guest chair, derives its name from the Italian filler word used when thinking of what to say or introducing a sentence.
- + A simple single shell collection of guest seating with multiple variations making it suitable for any space.
- + Designed by ScagnellatoFerrarese+Masiero.

### WHY

- + The traditional framework of boardrooms and meeting rooms is changing – “when and where” is pretty much anytime and anywhere.

### HOW

- + Allora is a highly customizable and versatile single-shell guest chair.
- + Available armless, with armrests or with a tablet arm.
- + Armrest adjusts outward for customizable comfort.
- + Legs feature a special glide that protects the frames from touching while stacked. Tablet stacking available.
- + Frame options include 4-leg, collaborative, or beam seating.
- + Stackable 15 high on the floor or on a dolly. Stackable 8 high with a tablet arm.
- + Optional book basket under the seat, perfect for education and training room settings.

- + Five finishes options including: Blanco, Nero, Gris, Rosso, Blu for the shell and frame.
- + An optional upholstered seat pad is available for enhanced comfort.

### DESIGNER

- + ScagnellatoFerrarese+Masiero is an Italian-based design studio, featuring designers Paolo Scagnellato, Jeremiah Ferrarese and Guilia Masiero. The studio's philosophy is that form follows function, and their essential values are modularity, versatility and an expressive use of materials that enhance design.
