

## COMBINES COMFORT AND SUPPORT.

### WHAT

- + Presto delivers the magic combination of versatility, durability, and functionality – all while presenting at a price point that is accessible to all business owners.
- + Presto's rugged construction works in tandem with its contoured stylish back design to create an inviting look that can charm even the toughest of workplaces.

### WHY

- + Durable seating that is also ergonomic and affordable has always been a requirement for employee-driven offices.
- + There has been continued effort in modern offices to provide seating that looks cohesive while adhering to all possible different body types.
- + 24/7 work environments such as nurse stations and security positions need options that provide comfort, style, and durability without inhibiting their users.

### HOW

- + Presto is available in 3 sizes: petite, midback, and highback in order to fit a wide range of body types that could be found in any given workspace.
- + Presto also features 8" and 10" stool options for even more versatility.
- + Optional adjustable lumbar provides enhanced back support with a dial that is both discreet and easy to use.
- + Optional Bumper Trim and Ballistic Nylon Back options ensure optimal resistance to damage on both the chair and office peripherals in high-traffic areas.

- + Certain options warranted for 24/7 use [see price book or website for details] and carry Allseating's unmatched 12 year all-inclusive warranty. Specialized Presto 24:7 model includes heavy duty cylinder, mechanism, and base for even more durability in these demanding environments.
- + Features height-adjustable AT arms, as well arms with greater armcap adjustability in the 4D and MF arms.
- + Several control mechanism options available, accommodating all types of adjustment requirements while giving users the flexibility in cost they may need to fit a certain budget.
- + Can be upholstered in thousands of textile options, including the majority of Allseating's carded textile program.

### DESIGNER

- + Since 1982, Allseating has developed a reputation for quickly adjusting to the changing needs of customers in the office, educational and healthcare sectors. Today, Allseating has evolved to have product designs for more environments than ever, truly demonstrating the concept of anywhere in all that we do. Inspired by our founder and CEO, Gary Neil, the Allseating team has become known for delivering excellent customer service at every touchpoint.
