

The new **Mayer Fabrics + Allseating Woven & Coated Card!**

The **Woven & Coated** fabric card showcases a variety of grades, textures, styles, and performance for an offering that is versatile in both price and function.

Designed through the expressive language of color, the Woven & Coated card brings bold yet modern colorways that elevate both commercial and residential spaces. From patterns like Sanctuary that combine the softness of chenille with an undulated weave to evoke feelings of peace and tranquility, to patterns like Omega that are composed of polycarbonate polyurethane for ultimate performance and durability – this new textile program is as multifaceted as it is beautiful.
