

EQUATION™

UNMATCHED TECHNOLOGY

Equation's innovative back technology allows for minimal adjustments and maximum support, combining back angle recline and seat-depth in ways other chairs can't match.

FEATURED FROM LEFT TO RIGHT

THE SUM OF INNOVATION AND ERGONOMICS

Joining the ranks of Allseating's revolutionary You and Levo collections, Equation adopts a new proprietary back adjustment methodology in a modern fully integrated task chair. With its easy and intuitive ergonomic adjustments, Equation can adapt to any user. Aesthetically pleasing and customizable, Equation fits into a variety of spaces, from open or private offices, home offices, to touchdown spaces.
