

GEMELLI™

Instruction Guide

Armless Gemelli with upholstered seat pad.

CUFFLINK

Gemelli's cufflink design was inspired by the shape of a gentleman's cufflink, adding a unique and recognizable element that distinguishes the chair. The cufflink finish is chrome.

ARM

Gemelli can be specified with arms or armless. The arm finish matches the frame finish chosen for the chair.

STACKING

The armless model of Gemelli chair stacks 3 high on the floor or 5 on a dolly. Stacking is in a forward direction with arms and legs of top chair in front of arms and legs on bottom chair.

SINGLE POLY SHELL

Gemelli's single poly shell design is available in six (6) finishes: Savoy, Soleil, Valley, Dune, Ashtone, and Noir. Gemelli can be specified with an upholstered seat pad if desired for added comfort and visual options.

FRAME FINISHES

Gemelli is available in seven (7) frame finishes: Chrome, Savoy, Soleil, Valley, Dune, Ashtone, and Noir.

GLIDES

Gemelli glides are available with either a black or smoke accent finish.
