

FOSTER[®] FAMILY

WE'RE SERIOUS ABOUT
THE POSITIVE IMPACT
WE CAN PROVIDE FOR
PATIENTS, FAMILY AND
CAREGIVERS.

WHAT

At Allseating, we're serious about the positive impact we can provide for patients, family and caregivers. That's why we created the Foster family, to foster care and comfort at the highest levels in healthcare. From lounges to waiting areas to patient rooms, the Foster family of products offers a wide range of versatile solutions. Providing choice, comfort, and customization, Foster's adaptable features align with the healthcare industry's toughest challenges, addressing cleanliness and durability head on. Aesthetically, the Foster family's modern design integrates function and style with seamless finishes, giving healthcare spaces a feeling of being at home, when going home isn't always an option.

WHY

- + Patients, families, and caregivers have high expectations for not only their care, but also their surrounding environment. Making the challenge around keeping furniture fresh even more pertinent.
- + The Healthcare industry is an ever-changing landscape; challenges of today, may not be the same tomorrow. Clients are looking for products that meets the needs of all people who share the healthcare space.
- + Consumers now have information available to them to make better informed decisions (HCAHPS Scores).
- + Studies show that a family's presence in a patient's room plays a critical role in recovery and has a positive effect on healthcare outcomes, which is why it's so important to give families and loved ones' choice and control over their surroundings.

HOW

- + Sturdy and durable steel frame makes field installation and parts replacement easy.
- + 500lbs – 750lbs weight limit range for greater mobility and versatility.
- + Available vibrant color, textile, and arm cap options bring warmth to any space.
- + 100% replaceable parts to extend product life.
- + HHI Compliant.
- + Seating can be arranged in a variety of configurations with near endless fabric and finishing choices.
- + Comfortable molded seat cushion offers active suspension.
- + Comprehensive warranty ensures peace of mind.
- + Removable covers can be easily replaced without tools.
- + Wall-saver design safeguards both the chair and walls from wear and damage.
- + Multiple arm and arm slope options reduce shoulder stress.
