

L1[®]

THE MOST SUPERIOR LUMBAR VERTEBRA.

WHAT

L1 is a carefully crafted task seating solution that marries comfort and support with clean, simple and ergonomic design. Through the use of simple and customizable mechanisms, L1 accommodates a wide range of heights and body types to ensure all workers are being supported throughout the workday. Most importantly, even with excellent function and attractive design, L1 remains at an affordable price point, proving style, comfort and health never need to be sacrificed in the name of cost.

WHY

+ Start-ups, small businesses and co-working spaces are all on the rise; more than 1.5 million small businesses started between 2015 and 2018. With start-up funding increasing by at least 50% between 2012 and 2017 across all industries, start-up companies require affordable seating solutions for their employees. Specifically, intuitive task chairs that are simple to use, easily adjustable and don't skip out on ergonomic support that positively affect the health and wellbeing of workers, and thus companies as a whole.

HOW

- + Functions like the synchro-tilt mechanism, allow the users feet to remain on the floor as they tilt backwards, ensuring optimal comfort.
- + An integrated seat slider allows for simple and intuitive calibration, and ensures users of all heights and body types are comfortably accommodated.
- + Available in a Black finish for a classic look, or a Birch finish for a light and fresh that fits into any space or design palate.
- + Three-dimensional mesh (a soft and supportive textured material) is available in four neutral colors: Black, Charcoal, Nickel, and Fog.
- + Arms are two directional to support a myriad of tasks, from texting on a cell phone to writing notes by hand. Users can achieve optimal comfort by adjusting both up and down, as well as backward and forward.
- + An optional, adjustable headrest with two pivot points to move forward/back and up/down, optimizes user comfort by providing thorough head and neck support.
- + Comes with a tilt lock and tilt tension and optional adjustable lumbar allowing for easy adaptation to meet the needs of each user.
- + Standard carpet casters are in black, with optional dual surface Birch casters available at an upcharge.

"BEYOND THE CHAIR" REASONS TO CHOOSE ALLSEATING
