

YOU[®] FAMILY SIT FIT.

WHAT

Uniquely designed with superior ergonomic features, You promotes active sitting, which not only improves posture, but also productivity and performance, making it ideal for workspaces with non-assigned seating.

You Too builds upon You's revolutionary ergonomic design language with a re-engineered and more accessible nylon frame that increases design flexibility. You Too is affordable innovation at its best.

Everything about You suits the way you sit.

WHY

- + The human body wasn't designed to sit all day.
- + The most common workplace injuries today can happen while seated.
- + There's a need for seating that can adjust to suit a greater number of users at workplaces that have non-assigned seating or for staff who sit for long durations.
- + Overall lack of adequate lumbar support in mesh-back task chairs on the market.

HOW

- + You and You Too's patented technology minimizes adjustments required for maximum ergonomic support, helping users find the best suited position for their body type.
- + The U-shaped back suspension engages core muscles, elongates the back, opens the chest and keeps your shoulders relaxed — all to keep you sitting tall and light on your bones.
- + The frame allows the mesh to bow and provide precise support between the lumbar and ribcage to encourage active sitting.
- + Maximum resiliency and precise comfort via elastomeric mesh webbing.
- + Molded polyurethane foam constructed seat that features a waterfall edge design to reduce pressure on the back of thighs.
- + Three (3) elegant frame options available: Onyx and Smoke and Polished Aluminum (Polished Aluminum is only available for You).
- + Five (5) versatile base options available: High Profile Aluminum, Black, Smoke, Stool Base and Sit to Stand Counter.
- + Two (2) flexible frame heights to support multiple body types (midback and highback).
- + Five (5) comfortable arm options available: Task 2 Arm, 4-Dimensional Arm, Multi-Functional Arm, Twister Arm and Conference Arm.
- + Fully customizable with 15 vibrant mesh colors available over three (3) eye-catching patterns.

BEYOND THE CHAIR REASONS TO CHOOSE ALLSEATING

- + Our simple, comprehensive warranty is one of the best in the industry.
- + Our exceptional customer service encompasses product specification, on-time delivery, out of box quality and every touch point in between.
- + We're willing to adapt our products or services to meet our client's needs.
- + SCS Gold Certified.
